

PRIVACY POLICY AGREEMENT

The Audio Engineering Society, Los Angeles Section, (AES-LA), is committed to keeping any and all personal information collected of those individuals that visit our website and make use of our online facilities and services accurate, confidential, secure and private. Our privacy policy has been designed and created to ensure those affiliated with The Audio Engineering Society, Los Angeles Section of our commitment and realization of our obligation to meet most existing privacy standards.

This Privacy Policy Agreement shall apply to The Audio Engineering Society, Los Angeles Section, and thus it shall govern any and all data collection and usage thereof. Through the use of aesla.org you are herein consenting to the following data procedures expressed within this agreement.

Collection of Information

This website collects various types of information, such as:

- Voluntarily provided information which may include your name, address, email address, billing and/or credit card information etc., which may be used when you purchase products and/or services and to deliver the services you have requested.
- Information automatically collected when visiting our website, which may include cookies, third party tracking technologies and server logs.
- Our system may also log information pertaining to your browser, operating system, and IP address.
- Our service does not currently recognize the “Do Not Track” signal that may be available in some web browsers.

Please rest assured that this site shall only collect personal information that you knowingly and willingly provide by way of surveys, completed membership forms, and emails. It is the intent of this site to use personal information only for the purpose for which it was requested and any additional uses specifically provided on this site.

The Audio Engineering Society, Los Angeles Section may have the occasion to collect anonymous demographic information, such as age, gender, household income, political affiliation, race and religion at a later time. We may also gather information about the type of browser you are using, IP address or type of operating system to assist us in providing and maintaining superior quality service.

It is highly recommended and suggested that you review the privacy policies and statements of any website you choose to use or frequent as a means to better understand the way in which other websites garner, make use of and share information collected.

Use of Information Collected

The Audio Engineering Society, Los Angeles Section may collect and may make use of personal information to assist in the operation of our website and to ensure delivery of the services you need and request. At times, we may find it necessary to use personally identifiable information as a means to keep you informed of other possible products and/or services that may be available to you from aesla.org. The Audio Engineering Society, Los Angeles Section may also be in contact with you with regards to completing surveys and/or research questionnaires related to your opinion of current or potential future services that may be offered.

The Audio Engineering Society, Los Angeles Section does not now, nor will it in the future, sell, rent or lease any of our customer lists and/or names to any third parties.

The Audio Engineering Society, Los Angeles, Section does not allow for any reason, advertising companies to collect data through our service.

The Audio Engineering Society, Los Angeles Section may deem it necessary to follow websites and/or pages that our users may frequent in an effort to gleam what types of services and/or products may be the most popular to customers or the general public.

The Audio Engineering Society, Los Angeles Section may disclose your personal information, without prior notice to you, only if required to do so in accordance with applicable laws and/or in a good faith belief that such action is deemed necessary or is required in an effort to:

- Remain in conformance with any decrees, laws and/or statutes or in an effort to comply with any process which may be served upon The Audio Engineering Society, Los Angeles Section and/or our website;
- Maintain, safeguard and/or preserve all the rights and/or property of The Audio Engineering Society, Los Angeles Section; and
- Perform under demanding conditions in an effort to safeguard the personal safety of users of aesla.org and/or the general public.

Children Under the Age of 13

The Audio Engineering Society, Los Angeles Section does not knowingly collect personal identifiable information from children under the age of thirteen (13) without verifiable parental consent. If it is determined that such information has been inadvertently collected on anyone under the age of thirteen (13), we shall immediately take the necessary steps to ensure that such information is deleted from our system's database. Anyone under the age of thirteen (13) must seek and obtain parent or guardian permission to use this website.

Unsubscribe or Opt-Out

All users and/or visitors to our website have the option to discontinue receiving communication from us and/or reserve the right to discontinue receiving communications by way of email or newsletters. To discontinue or unsubscribe to our website please send an email that you wish to unsubscribe to secretary@aesla.org. Please put in the subject line "UNSUBSCRIBE". If you wish to unsubscribe or opt-out from any third party websites, you must go to that specific website to unsubscribe and/or opt-out.

Links to Other Web Sites

Our website does contain links to affiliate and other websites. The Audio Engineering Society, Los Angeles Section does not claim nor accept responsibility for any privacy policies, practices and/or procedures of other such websites. Therefore, we encourage all users and visitors to be aware when they leave our website and to read the privacy statements of each and every website that collects personally identifiable information. The aforementioned Privacy Policy Agreement applies only and solely to the information collected by our website.

Security

The Audio Engineering Society, Los Angeles Section shall endeavor and shall take reasonable steps to maintain adequate physical, procedural and technical security with respect to the information stored on our internet service providers storage facilities so as to prevent any loss, misuse, unauthorized access, disclosure or modification of the user's personal information under our control. However no security or encryption method can be fully or totally guaranteed to protect information from hackers or human error.

Changes to Privacy Policy Agreement

The Audio Engineering Society, Los Angeles Section reserves the right to update and/or change the terms of our privacy policy, and as such we will post those change to our website homepage at aesla.org, so that our users and/or visitors are always aware of the type of information we collect, how it will be used, and under what circumstances, if any, we may disclose such information. If at any point in time The Audio Engineering Society, Los Angeles Section decides to make use of any personally identifiable information on file, in a manner vastly different from that which was stated when this information was initially collected, the user or users shall be promptly notified by email. Users at that time shall have the option as to whether or not to permit the use of their information in this separate manner.

Acceptance of Terms

Through the use of this website, you are hereby accepting the terms and conditions stipulated within the aforementioned Privacy Policy Agreement. If you are not in agreement with our terms and conditions, then you should refrain from further use of our sites. In addition, your continued use of our website following the posting of any updates or changes to our terms and conditions shall mean that you are in agreement and acceptance of such changes.
